How to log onto Odoo (no reset PW)

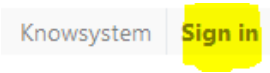
What is Odoo?

It is a web-based package of various business applications (e.g. for invoicing, purchasing, project management, accounting, etc.)

You are directed to this page because cApStAn has something to share with you via Odoo.

Logging onto Odoo

Go to the top right side of this page and click on "**Sign in**".



Enter the **login** and **password** you received from the cApStAn project manager.

ATTENTION: **Do NOT Reset Password**.
