How to access KnowSystem

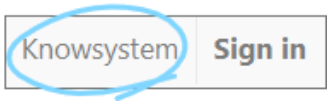

What is KnowSystem?

It is a **knowledge base platform** containing various user guides and reference materials.

KnowSystem is an application which is integrated in Odoo. Some KnowSystem articles are published on the web and are accessible to the general public. Others are accessible only to the users of cApStAn's Odoo.

Accessing KnowSystem

Go to the top right side of this page and click on "**KnowSystem**".

If you are cApStAn's Odoo user, click here to see **How to log onto Odoo**.
