# How to log onto Odoo (no reset PW)

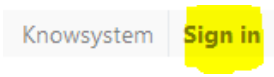

## What is Odoo?

It is a web-based package of various business applications (e.g. for invoicing, purchasing, project management, accounting, etc.)

You are directed to this page because cApStAn has something to share with you via Odoo.

## Logging onto Odoo

Go to the top right side of this page and click on "**Sign in**".

Enter the **login** and **password** you received from the cApStAn project manager.

ATTENTION: **Do NOT Reset Password.**
